Coraline Maliteare

My name is Coraline Maliteare and I am 13 years old. This is my seventh year in 4-H and my fourth year in the Snapshots 4-H Photography Club. I am in Unit 4. My hobbies are painting, dancing, acting, and doing circus acrobatics. I have two beautiful cats named Rosie and Bruno. My photos were primarily taken with an iPhone 13, but I also use a Panasonic Lumix DMC-FZ50 camera. I love spending time with my fellow 4-H members and I am thankful for all the amazing memories of learning and having fun!

Danika Sosnowski

My name is Danika Sosnowski and I am in grade 9. I have been in Snapshots 4-H Photography Club for five years. This year I am focusing on different photo editing techniques, which I am very excited to learn about. I use a Canon EOS 70D camera with a Sigma DC 18-250mm lens. I love photography because it has taught me to see the world through new perspectives and to notice and appreciate things I have previously overlooked. My favorite types of photography are macro and journalistic photography, but I love experimenting and trying new techniques as well! Some of my other hobbies are reading, writing, art, and playing with my goats.

Ella Ketterer

I'm Ella Ketterer, I go to Qualicum Beach Elementary and am 10 years old. I have just joined the 4 H Photography Club and I am also in Photography as an elective in school. I enjoy photography because it is a fun way to express the things that I love and love doing! It's also a way to express myself creatively. This is my first time using a DSLR camera. I also have lots of other hobbies such as softball, writing, playing outside and playing with my dog Leyna.

Janel van Dongen

Hello! My name is Janel van Dongen, and I am a member of Snapshots 4-H Photography Club. I am 15 years old, and this is my fifth year in 4-H. In addition to photography, I also love reading, Highland Dance, music, art, and chocolate. When I'm not taking shots with my Canon EOS Rebel T7, you can often find me deep in a mystery novel or exploring the great outdoors with my family and our pup Rex. I hope you can catch a glimpse of what BOLD means to me and my fellow members through our exhibit.
